Dear Ms. Pope:

It is our pleasure to inform you that the Board of Directors of the North & East Lubbock Community Development Corporation (NELCDC) has selected you as our Community Champion for 2009. This award is an expression of our organization's appreciation for your interest in contributing to economic development in East Lubbock through the construction of a new facility to complement the existing one.

We recognize the service Lubbock MHMR provides is integral to the community, and your efforts to build a better Lubbock are commendable. Furthermore, your expansion will also benefit our efforts to recruit additional businesses to the area; with a total workforce of approximately 200 employees including the new facility, your organization displays a need for future commercial development. We can only hope that others will recognize that East Lubbock deserves appropriate resources and services.

This award will be formally presented during our 5<sup>th</sup> annual Community Champion Banquet at the Lubbock Civic Center on Thursday, June 4, 2009, beginning at 7 p.m.

We will be in communication with you or a designated staff member to share details and obtain information to adequately represent your organization and its commitment. Please do not hesitate to call Quincy White at (806)747-5937 with any questions.

Sincerely,

  
David Langston  
Board Chairperson  
NELCDC
